Music Stand

**Prodigy  
Percussion  
WMS**

*Any folding music stand  
will work. QuikLok model  
#MS331 is strongest but ~\$40*

During percussion class, students will use a school-owned practice pad and a school owned keyboard instrument (typically a full-sized marimba or xylophone).

At home, students will use their own pad (from the list above) and a “practice marimba” issued by the school. There is a \$100 (per school year) usage fee.

Payment will be due after the beginning of the school year in August.

Lone Star Percussion is offering free shipping and a free t-shirt when you order \$100+ worth of product on this list. Visit them here:
